MINNEAPOLIS USBC ASSOCIATION

The First Edition

This is the first newsletter for the Minneapolis Youth Bowlers! We hope that this newsletter will give our Youth Bowlers something to look forward to and maybe bring them some youth news as we go along. Our intentions are to publish this letter approximately three times a year. The issues will come out in October, January and March. We are pleased to take this adventure and hope that both our youth and their parents enjoy this new and exciting happening! The very first thing that we want to do is to tailor this newsletter to our

youth. Therefore, the first thing is to “Name this newsletter”! The Minneapolis USBC Association is going to give one lucky Youth Bowler a \$75.00 SMART scholarship! We will set this money aside in the Earl Bladine/Rosy Vigness fund. We hope that all of our Youth get busy and start thinking of a name for this newsletter. We also hope that the Youth Leaders get involved as they are the future of this organization and really know how to explain to our youth the pro-

grams and tournaments that our youth can explore and enjoy! All entries into the Name Your Newsletter can be sent to the Minneapolis USBC Association office. Here we will assemble some youth coordinators to pick the winning entry. Entries should be into this office no later than November 10th The winner will be notified as soon as possible and we will announce the winner in the next issue of this letter. Our address is 9673—63rd Ave. N., Maple Grove, MN. 55369

Welcome Back to Youth Bowling

I would like to welcome all of our youth bowlers back to another bowling season! I am sure that a lot of you have not seen your old friends since last season. I would like to ask your help in providing you the news and things you would like to see in this newsletter! After all, it is for you and you are very important to this organization. Please send or email your wants or needs to the Minneapolis USBC Association or to usbcmplsharry@qwestoffice.net. We will make every attempt to get you the information you need and want. There are many coaches, assistants and parents that devote many hours to help you be the best that you can be both on and off the lanes. It is without question a devotion seldom seen anywhere else. We are proud of our bowling centers and what they provide to you, the youth bowler! Thanks Again and have a great Season!
